

FOR IMMEDIATE RELEASE

Landscape Architectural Firm welcomes Designer/Project Manager.

Danbury, Connecticut
July 9, 2007

Didona Associates is pleased to announce that Derrick Shuhart, a Bethel resident, has joined our firm as an Associate Landscape Architect in Training.

Mr. Shuhart brings more than 7 years experience and manages projects through design/development phases to completion. He has a Bachelor Degree of Landscape Architecture from SUNY College of Environmental Science and Forestry, Syracuse, New York and an Associates Degree of Applied Science in Forestry from Paul Smiths College, Paul Smiths, New York.

Prior to joining the firm, Mr. Shuhart was a Designer/Project Manager for Environmental Design Associates PC, Wilton, Connecticut. He was associated with Louis C. Fusco Landscape Architects, Pound Ridge, New York and Environmental Design and Research PC, Rochester, New York.

Didona Associates is a Landscape Architectural firm located in Danbury, CT. Its core services include park and public space planning and design, environmental protection and remediation, watershed planning and stormwater management, sustainable and context sensitive design, and community involvement. Key projects have included New Fairfield (CT) Master Plan, Sandy Hook (CT) Streetscape Plan, Georgetown (CT) Traffic and Main Street Streetscape Plan, and Sherman Center Pedestrian Plan, (CT).
